Keynote Speaking Topics

▶ **The Art of Being You**

Creating The New You

One of our greatest challenges in life is to feel comfortable just being ourselves!

▶ **All Work - No Play!**

Achieving Work/Life Balance

How to get out of that Rut and enjoy a Balanced Life.
NB: A Rut is really a Grave with the ends kicked out!

▶ **Unblocking Your Cash Flow**

Bringing the 'gold' to your business that you deserve!

A powerful presentation which addresses one of the most common problems experienced by the majority of Small Businesses. Poor Cashflow.

▶ **It's All About US - It's Not Their Fault!**

If We Can Own It - We Can Change It

In a world which seems to be all about blaming others for our misfortunes - this is a whole new way of seeing things and adopting new attitudes and behaviours.

▶ **Technology Can Be Our Best Friend!**

As president and founder of Minerva Technology Group I have learnt to be able to deliver relevant information to small business in an easily understood manner.

▶ **Unlocking Your True Potential**

It's Not About Anyone Else - It's All About You!

Could something, or someone, be holding you back from achieving your true potential in life?
